FOUNDATION OF CAPAPIE®

Makes It Easy

MISSION, VISION AND VALUE OF CAPAPIE®

MISSION:

To reach, support and upgrade each of our customer with world-class innovative products and excellent after sales support to help them achieve their goals.

VISION:

To be the most trusted brand globally, for world-class products and after-sales services helping sportspersons in their journey toward excellence.

CORE VALUE CUSTOMER SATISFACTION:

We would always be committed to fulfill customer's expectation with a sole aim of helping him to achieve great heights in his sports career.

ABOUT US

Capapie, started in 2001 by Nilesh Rane, makes high-quality sportswear for shooters worldwide. It's not just a business – it shows our strong dedication to doing more. We work hard to understand the sport and always come up with new ideas. Our goal is to create products that help shooters focus when it matters most. Because of this dedication, our business has grown and now serves customers around the world.

We're proud to deliver affordable gear without sacrificing quality. Our focus on professionalism and performance sets us apart from others in the industry.

ARMED FROM HEAD TO TOE

NILESH RANE

"A speeding bullet never waits for anyone and neither did I, when I found my passion for shooting. I decided to do something about it and founded Capapie® in order to give the BEST TO THE BEST"

Capapie® brings to you, the world of shooting Apparel. We look out for your needs from your first shooting lesson to your final. Capapie® was founded in 2001 by Nilesh Rane who himself is a former Indian National Record Holder in the Free Rifle 3 Position Men Event and currently a passionate target-shooter. Through Capapie® he decided to produce and showcase a wide range of top-level sportswear to be worn for all kinds of competitions.

RUPALI RANE

"I found myself in Capapie®. It has set my soul free and at the same time helped me make an impact on sports world around me"

A woman who walks the purpose, Rupali Rane is an entrepreneur who inspires and guides the business with her advanced management techniques, strong system knowledge and her decision-making skills.

In 2005 Rupali married Nilesh Rane, a man of passion with a mission to reach, support and upgrade the shooters globally. Rupali decided to take the plunge in the business with a desire to create a niche in the sports business world, to break the stereotype trends and go beyond. She has poured herself in Capapie® and devotes her mind, heart and labor to establish the enterprise globally. Rupali can be summed up as a doer who sees possibilities, and sets about achieving them with small but determined steps every day.

INTRODUCING CAPITEX®

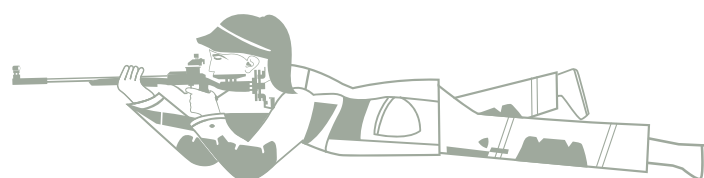

Raising the bar alone doesn't automatically make you improve. You need to back it up with organized effort.

Capapie® Sports Equipments has come out with CAPITEX®, an advanced Sports wear Material after 2 years of sustained research and development.

CAPITEX® is in accordance with the ISSF rules of thickness and shows perfect reading on the stiffness gauge. Weather change of any kind does not affect the performance of this material as per ISSF norms. It is wrinkle free Bounce Back Material (BBM) and gives consistent results.

CAPITEX® blends perfectly with rubber. Though CAPITEX® is a strong and stiff material, it gives a canvas type feeling to the shooter unlike plastic or rubberized materials. To the benefit of the shooters, this quality lasts for years.

Even after a rigorous use, this material bounces back to the original condition in few hours, and thus gives the long-lasting new feel and support to the shooter.

JACKET

DESIGN UNIQUENESS

INNOVATIVE CONTROL BOX CONCEPT (CBC) (DESIGN REGISTERED)

As Per ISSF rule no. 7.6.1.3. rifle should not touch the jacket. Hence, we have invented a very innovative Control Box Concept (CBC). We observed and studied many international shooters in their natural shooting environment. Sustained research established that with the CBC, the bulge created by the rifle supporting hand is eliminated. Now instead of the bulge, you have a cavity!!!

The Secret actually lies in the unique quality of Special Elastic Fiber, which comprises the Control Box. Special elastic fiber stitched vertically in the CBC pulls back the extra material, which was responsible for creating the bulge.

Hence, the shooter can bring the rifle as close to the body as possible and shoot comfortably.

AVAILABLE IN STANDARD SIZES, MADE TO MEASURE AND JACKET TROUSER FITTING PROGRAMME (JTFP).

NSG CAPITEX[®] TOPLINE

JACKET

ORIGINAL CAPAPIE[®] “QUICK DRAW HOLSTER” POCKET

DESIGN REGISTERED

Specially designed screw driver/ Allen key sleeve inside the pocket as per ISSF rule number 7.5.4.8.f.

Detachable Equipment Control Sticker Holder.

Non-Stretchable material sling attachment with vertical as well as horizontal adjustments.

NSG CAPITEX[®] TOPLINE

TROUSER

TROUSER ITEM CODE: 1016

Metal D-loop provided for use with suspenders.

Horizontal Velcro Strip Provided for customized adjustments as per individual needs.

2-inch vertical strap of Velcro for adjustment at the hip, as per individual need.

Asymmetric placement of TOP GRIP reinforced pads.

Four-way expandable V-shaped Lycra for maximum comfort in kneeling position.

The rifle resting hand gets adequate support because of extended TOP GRIP pad.

Extended YKK zipper with lockable runners to settle down comfortably in kneeling position. Also helps in easy wear/ remove.

Two-way YKK zippers with lockable runners to prevent zipper from opening during practice and competitions.

AVAILABLE IN STANDARD SIZES, MADE TO MEASURE AND JACKET TROUSER FITTING PROGRAMME (JTFP).

PREMIUM RIFLE SHOOTING SHOES

ITEM CODE: 1017

Our Premium rifle shooting shoes are a perfect masterpiece of Indian handicrafts. With an extra keen eye, we have developed these shoes to meet the requirements of all three shooting positions. Finest quality breathable leather is used in this product.

Sole is consolidated with three layers.

Rigid layer for better support.

Soft middle layer for maximum comfort.

Anti-slip layer with hollow area for firm grip.

Two padded soft tongues designed to enhance comfort in front and back.

Removable adjustable Velcro strap for better fit and style.

PREMIUM PISTOL SHOES

ITEM CODE: 1018

With all the build qualities of the rifle shoes, these pistol shoes shaped with boot cut pattern, are lightweight and can withstand a great amount of bend as per ISSF rules. Ankle edge is reinforced with extra padding for stability.

SHOES INSOLE

ITEM CODE: 1081

Achieve balance with Capapie® Shoe Insole Wedges, available as heel or toe inserts. Seamlessly integrating beneath removable insoles, they enhance stance precision. Toe inserts aid forward leaners and heel inserts assist backward leaners. Combine both for a balanced stance emphasizing the mid-foot region.
